I believe in birth and know that women are powerful. I offer caring support and research based inform...	
Victoria Jewson	I am an experienced midwife of 20 years and a lactation consultant at Hutt Valley DHB. I have worked as a postnatal midwife for many years. I would like to offer my services for antenatal, birth and postnatal care to women who will be having elective Caesarean sections, mainly in the Upper Valley (Hutt) area. This is purely for work/life balance for me and less on-call commitment.	Mobile: +64-210775152 Work: +64-210775152
