My passion is to respect and support women's social and cultural needs, work with them in a partnership relationship, and provide safe women-centered care.	Home: +64-212364849
Sev Shema	Kia Ora & congratulations on your pregnancy! My name is Sev, and I am a wife and mama of 2 little humans. As a midwife, It is very important to me that women are provided with care that is tailored to their own needs and their choices are respected and heard. Entering motherhood is such an amazing & life changing experience, and my role would be to provide you and your baby with the best care throughout your pregnancy, labour & birth, up until 6 weeks postpartum. Wishing you all the best o...	Mobile: 0222276263
Sanaz Khodaverdian	My name is Sanaz Khodaverdian I migrated to New Zealand in 2002. I completed my midwifery training at Auckland University of Technology. Being a midwife is a very special career and I consider it a privilege working with women. The uniqueness of maternity service in New Zealand made me more passionate to become a midwife and to offer continuity of care to women. I enjoy the satisfaction that comes from walking the journey to motherhood with a woman and her family and feel that being in a midwif...	Mobile: +64-212682800
Tilly Porter	Hello there! Congratulations on your pregnancy. I am happy to care for you during your pregnancy, labour and birth and for the six weeks postpartum. I work in partnership with you and endeavour that this period of your life will reflectively be one of the happiest times ever. I have stopped running a clinic as I prefer to do visits to lady's homes usually on the North Shore, West of Auckland and up towards Helensville. I love home birthing, waterbirths and will deliver in a primary setting a...	Mobile: +64-212125565 Phone type: Phone number
Frann Dove	I am a midwife living in West Auckland. I am now in my 25th year of LMC practice and have a lot of experience of looking after women in West Auckland. I birth primarily at Waitakere Hospital, but have access to North Shore when needed. I love the diversity that West Auckland women bring and the wonderful array of cultures that live here. I use an holistic approach to midwifery and am always mindful of what women want.	Home: +64-98185205 Mobile: +64-21824144
Vanessa Wiblin	Congratulations on being pregnant! It is an exciting time and I would happy to support you. I am an experienced midwife with 2 children. I feel my role is to provide support and information; to help women make safe choices and develop into mothers who trust in their innate ability to birth and have confidence in their parenting instincts. I believe that women are capable of making their own choices about what is right for them and their families. I encourage them to be self-determining in the... Dianne Squire	<p>Congratulations. I can still remember the first time I held my daughter in my arms, the intense love I felt for her. She is a grown woman now but the experience and joy of birthing her is still very much with me. I support women to birth naturally, surrounded by family and friends in a calm and positive atmosphere. I encourage the use of water for labour and birthing because I know how calming and relaxing warm water can be, but if water isn't your choice then I am keen to encourage active posit...</p>	Mobile: 021309899
Karen Lovelock	<p>Congratulations on your pregnancy and the exciting times ahead. I qualified as a Registered Midwife in 1991, working in the UK for 13 years in a busy NHS Women's Centre covering all aspects of midwifery including community. I have been working as an LMC since moving to New Zealand in 2004 with my family. I enjoy the opportunity of being part of the whole childbirth experience from the initial booking visit right through to those exceptional first few weeks with a newborn. Louise Lilley	<p>As a case loading midwife with Kate Sheppard Midwifery, I have a passion for working in partnership with women throughout the childbirth continuum to provide women-centred care. I cover a geographical area encompassing the Hibiscus Coast and the North Shore and birth at North Shore Hospital. The care of a midwife for the birth of my second child sparked my passion to pursue a career in midwifery, and a belief in the continuity of care and partnership relationship that is obtained through LMC...</p>	Mobile: +64-275641929
Tricia Verryt	<p>It is a wonderful privilege to witness birth and guide the path to motherhood. I provide a considerate and respectful care for women, their partners and their babies. It is my role to support women and their partners as they navigate this road to parenthood and uncover their true power and experience just what they are capable of by owning their own birth and creating their own environment, mentally, physically and spiritually. Self motivated antenatal education and midwifery advocacy is ...</p>	
Lisa Woodward	<p>Congratulations on your pregnancy. My name is Lisa Woodward, I am a midwife covering the north and west of Auckland. My personal philosophy is that the process of childbirth is a normal physiological event perfectly designed by nature to bring babies into the world. It is an instinctive experience that has rhythm and pace, the process of labour works well when the woman is well supported. Women should be encouraged to be active participants in all aspects of their pregnancy and birth. When infor...</p>	Mobile: +64-277286952
Rachael Hastings	<p>Hi, I'm Rachael, I moved to NZ from London about 16 years ago with my kiwi husband . We have 3 wonderful active sons; Nate, Josh and Cam. I live in Huapai and enjoy providing midwifery care to the women in this area and surrounding communities; covering most of west Auckland. Claire Wakefield	It is my belief that each pregnancy is a unique journey. I provide holistic and supportive midwifery care throughout the course of your pregnancy, during your labour, and birth and for the first 6 weeks following your birth. My philosophy is grounded in the belief that pregnancy, labour, birth and breastfeeding are normal physiological processes. In my experience thus far, these physiological processes have been best supported when women are in good health; in an environment where they fee...
